the first degree in inducing President Jame the arst degree in inducing President Jame D. Fish, of the Marine National Bank, to cast a check for \$75,000 on the First National Bank, which proved to be worthess, ward account in the bank having been exhausted. This was the only indictment upon which ward was tried. Other indictments were found by the Federal authorities, tased upon the stupendous trauds by which the Marine National Bank was wrecked and the firm of Grant & Ward was enabled to fall May 9, 1884, for a total in round numbers of \$14,500,000.

PEDERAL INDICTMENTS NOT TO BE PRESERVE. The United States District Attorney has de-cided not to press these indictments, on the ground that it might appear like persecution. The fallure of Grant & Ward for sinces Sin.000,000 was not the only result, however, or Ferdinand Ward's crimes, of which the grand larces of \$75,000 was merely a incident. The downfell of the Marine Barwas followed within two weeks by most se sational events in Wall street.

BON OF A GENEREO MINISTER.

There is no truth whatever in the report ablished in the Paris Pigaro that Anarchists avelows up the Town Hall at Taranto.

An investigation made by the authorities in mediately after the explosion at the Town Hall at Dijon revealed that two dynamics and is now living in section of his completely with wars tried that propriating the cank's funds was sentenced to seven years in Audion prison. He was mediately after the explosion at the Town all at Dijon revealed that two dynamics ward was tried in October, 1885, and was make had been exploded. The police, who Half at Dijon revealed that two dynamite bombs had been exploded. The police, who burried to the scene, found a burning fuse attached to an internal machine.

The evident intention of those engaged in the plot was to attract a large number of period of the spot by the explosions of the two dues to the two d

## STOCK REPORTS.

" New England and Reading Railroad Stocks Sharply Attacked.

Bank Statement Shows \$500,000 Increase in Surplus Reserve.

Rumor of a Receiver-hip in New York and New England."

London, April 30.—A special despatch received here from Rome says that the explosion at the Massimo Palace was not caused by a squib, but by a petard loaded with dynamite, scraps of iron and stones. The despatch adds that an explosion caused by a similar petard occurred in the Cafe Rossing at Forl, 1974 miles southeast of Bologna.

The arrests of Anarchists continue throughout Italy.

Later.—It is learned that the explosion at Later.—It is learned to the Essex Market Police depends to the Lagrest floating at league of quotations that he product a great limits there is a learned

Capt. Cross Positive that Finn Popular Wrath Rising at the Police Efforts to Enforce Excise They Will Be Carved Out of the and Bocker Are Guilty.

Mr. Gerry and Dr. Parkburst Watching Their Society Agents. The Combine's Increase of Profits

Capt. cross, of the Eldridge street station, received a good many letters to-day congratulating bits on his clever capture of the children's Society's blackmailing agents,

It is claimed by Capt. Cross and his officers that there were nearly twenty different houses in the Eleventh Precinct upon which Becker and Finn are charged with having boiled a monthly tax. The agents were in a taverable position to do this without attract-WALL STREET, Saturday, April 180.—Stocks were attached to the Essex Market Police

that the output of the mines for May would be reduced to 2,750,000 tons, which means that the miners, starved already to a point of utter helplessness, will have less work, and, of course, less pay.

The miner mines 2,850 pounds of coal, which is credited to him as one ton. Then it there is a bit of slate in his car a half ton is docked from his pay. Then the coal is put through the breakers, and all the smaller coal intait fails through is docked, so that if he gets pay for a quarter of a ton every time he

gets pay for a quarter of a ton every time he mines 2.850 pounds he is considered very DROUTH EXTENDS TO HOBOKEN. To cap all, he must buy his family's supplies from the company store and pay exertitant prices.

Yet the representatives of the Reading combine, all-powerful in the control of 92 per cent. of the anthracite coal production, Court in Jersey City, to-day directed Prosefind it necessary to advance prices on domes- cutor Charles H. Winfleid to see to it that the coal 25 cents a ton at the beginning of saloons in Jersey City and elsewhere in the cause. Lizzie had a pocketbook in her hand,

the coal 25 cents a ton at the beginning of Summer.

All this happens in the face of the matured decision of Gov. Abbett and the Attorners-General of New Jersey that the combine is not only lilegal but unconstitutional.

The Prosecutor at once sent out the officers and the Attorners of his staff to notify the saloon-keepers and variety hall proprietors to that effect, and that if they fail to comply with the order the law will take its course.

But whether she had in it the sub she was known to possess is an open question.

The pocketbook is missing. The police of raven hue. He is the son of a Neapolitan made a thorough but fruitless search for it this morning in the readway in front of William P. Frey's house, where the assault occurred. The murderous iron bolt with which legislative bill legalizing the combine because the Legislature had no power to make OBJECT TO TRANSIT ROUTES.

it legal, the Constitution forbidding it. Pennsylvania stands in a similar attitude, and it is apparent that the Sherman Anti-Trust law of the United States, which makes New General Term Commissionit a crime to monopolize, or to conspire or combine to monopolize, any part of the trade or commerce between two States, is being

19th, 22d and 23d.

A Special Grand Jury to Clear the Tammany Hall's Plan of Reapportionment Decided On.

The District-Attorney's office is showing signs of great activity, and enough work has been laid out by Mr. Nicoll to keep his assistation of the city into thirty imely aid have been restored to life, health and loving friends. The majority of such cases have been laid out by Mr. Nicoli to keep his assist- been practically decided on.

The Tammany leaders of the twenty- but little attention save in the immediate locality Against the Great Conspiracy.

Against the Great Conspiracy.

Gov. Flower has issued an order for a special term of the Court of Oyer and Terminer, for May 33, and in connection with this a special Grand Jury will be summoned, to take up what is known as the "pigeon holed" cases, of which there is a tremendous accumulation in the District. Atternet's office.

The Tammany leaders of the twenty-four districts and the big chiefs of the organization have agreed, it is said, that the new districts shall be created by dividing the first of Mrs. M. A.

See Tammany leaders of the twenty-four districts and the big chiefs of the organization have negred, it is said, that the new districts shall be created by dividing the first of which have hitherto teen known only to a small circle of friends and the big chiefs of the twenty-four districts and the big chief of the twenty-four districts and the Reading combine of coal barons was moving to precipitately upon the people. A storm of popular wrath is gathering, and it is likely to break with irresistible force upon the beads of the ring which has raised the price of ap or man's ton of fuel.

There is little doubt that the laws of New Jersey, Pennsylvania and the United States will be invoked to check the gigantic robbery of the people.

The number of untried excise cases is be
